

OUR MISSION

Disability Rights South Dakota is the non-profit legal services agency dedicated to protecting and advocating for the rights and inclusion of South Dakotans with disabilities.

TIPS FOR BEING AN EFFECTIVE SELF-ADVOCATE

- Keep copies of ALL your records and reports.
- Ask questions when you have them. If you can't ask your question right away, write it down or record it so you remember to ask it when you can later.
- Be heard! Remember that YOUR goals and objectives should set your life course.
